

HARD COPY FLIP BOOK ACTIVITY

INDEPENDENT ACTIVITY.....DUE NO LATER THAN MAY 22nd

You may work alone or with one other person. You will both receive the same grade for the completed project You will create a 10 page “flip book” as described below.

Requirements:

I will supply you with the 10 index cards for the project.

Each flipbook will have the exact number of cards in the correct order.

You design each page in any way you want as long as it has the required information.

Each card will have an unlined front side with a graphic (may be hand drawn, downloaded or cut from a magazine) about the topic.

This front side of the cards will also have a title to explain/identify the topic.

The lined back side will have 3 bulleted facts about the topic

Card #1 = This card will have a title and graphic representative of the 1950’s and the name/names of the people who created this flip book.

Card #2 = This card will be about President Eisenhower.

Card #3 = This card will be about a non American political leader of the decade.

Card #4 = This card will be about communism in the 1950’s.

Card #5 = This card will be about the Korean War.

Card #6 = This card will be about the civil rights movement in the 1950’s.

Card #7 = This card will be about an athlete of the decade

Card #8 = This card will be about a singer or music group of the decade.

Card #9 = This card will be about a television show or fad of the decade.

Card #10=This card can be about anything you want as long as it has to do with the years 1950 – 1959

You must submit a works cited sheet with your project. This must be typed.

Hand drawn images need not be cited.

□ No citations are needed for the cover card.

□ If you are printing at school you must check with me before you print. Do not print one picture on one piece of paper. Fit as many images as possible on each page before you print it.
