Heart Shaped “Sweetheart” Locket  
2010.34

- The locket belongs to my grandmother, Patty Schwartz.
- She got it from her father who went to work on airplanes in Detroit.
- He was too old to be drafted so he was sent to Detroit to work for the war.
- Sweetheart jewelry depicted some type of war work or branch of service.
- In this case, the locket has a propeller and wings.
- He was gone for two years and he missed her so much that while he was in Detroit he sent the locket to her.
