

# Nifty 50s 1950-1959

## Timeline

### Due on or before May 9th

- You may work alone or with one other person for this activity.
- Your “event” for the timeline will be randomly selected by drawing a slip from the box on Mr. Fortier’s desk.
- Once you have an “event” you will create a poster (using a computer) to add to the timeline by the library.

The poster must meet the following requirements:

- 8.5 x 11 sheet of paper
- The “date” (day/month/year) will be centered at the top of the paper.
- Directly below the “date” will be a graphic that is illustrative of the event.
- Directly below the graphic will be a caption for the graphic.
- Try to catch the reader’s attention with an interesting caption.
- Beneath this caption you will write a brief account of the event and why it was important.
- What would you find interesting about this event?
- Below this explanation you must cite your sources in a smaller font.
- Make sure your names are on the front side of the paper in a small font.
- We are looking for accuracy, symmetry, and creativity.
