

Nifty 50s 1950-1959

DIGITAL FLIP BOOK ACTIVITY

YOUR CHOICE – ANY TOPIC

INDEPENDENT ACTIVITYDUE NO LATER THAN MAY 9TH

- You may work alone or with one other person.
- You will both receive the same grade for the completed project
- You will create a 10 page “flip book” focused on some aspect of the 1950s.
- This may be toys, cars, music, singers, architecture, games, writers, athletes...you name it.
-

Requirements

- You will use any presentation application to create a 10 slide “digital” flipbook.
- You design each slide in any way you want as long as it has the required information.
- Each slide will have a graphic about the topic.
- Each slide will also have a title to explain/ identify the topic.
- Each slide will have 3 bulleted facts about the topic
- You must submit a works cited sheet (hard copy) with your project. This must be typed. Please list the citations in order of the slides. You should have at least one citation for your facts and at least one for your images if they are taken from the internet.
- No citations are needed for the cover card.
- You must schedule, plan for and present your digital flip book to the class.
